invites you to the kick-off

COMPASSION CONFERENCE

Saturday, October 25 | 9:30AM - 3:15PM | Ludlow, MA

The inaugural NCM NE Compassion Conference is designed to inspire and strengthen the work of Christ's compassion in and through the churches and centers of the New England District Church of the Nazarene—and beyond.

This kick-off gathering, open to all, centers on the theme:

Why Compassion? Reflecting a Christlike Heart and Action

Together, we will engage in meaningful conversations around significant themes and pressing topics, creating space to listen, learn, and grow in the way of Christlike compassion.
